MEMORANDUM FOR: Personnel Director

FROM: Legislative Counsel

Attached herewith is a copy of H. R. 245 which I mentioned to you on the phone the other day. I have asked the Comptroller for leave figures, and would appreciate from you any pertinent data which would be helpful in formulating a reply to the House Committee on Post Office & Civil Service.

The Committee has asked for a reply as soon as possible and it is therefore requested that information be made available to me by 17 April.

MEMORANDUM FOR: Comptroller

FROM: Legislative Counsel

Attached is a copy of H.R. 245, which is self-explanatory. The House Committee on Post Office and Civil Service has asked us for a report on this bill as soon as possible. I think any report from us should include some estimate of the average amount of leave which will be lost by our employees because of the leave rider if it is not repealed. I would also appreciate any other pertinent data which you care to include.

I would appreciate having this information by 17 April in order that I may clear a reply through the Bureau of the Budget and return it to the Committee by the end of next week. You may wish to coordinate with the Personnel Director on this matter.
